Click next button few times.

You will get two random equations:

$$2 x^2 - 5 x - 1 = 0$$

$$4 x^2 + 3 x + 3 = 0$$

Let, the First equation is X and the Second equation is Y.

For N=0,1,2,3,4,5, you will get a series like:

X = [-1 -4 -3 2 11 24]

Y = [   ]

Generate those matrices.

And plot the graph (X,Y)
